THE WAR CLOSED. General J. B. Gordon, of Georgia, a rebel in the Confederate army, presided over the senate of the United States on the day previous to its adjourning. This event has been much commented on by the press throughout the Union. A rebel general presiding over the sension that consideration of the subject came to see the play of the Gladiator. does this sound. Such an event should fall were horrified at the proposition of electing a Confederate general to congress. Georgia elected General Gordon, a rebel general, to the senate, and now General Gordon presides over that body. It affords us untion laws. This generosity on the part exhibition during the exposition. of the Radicals in the senate of the totion maintained, and the prosperity of the country secured, with a determination to shun violence, and to frown down everything calculate I to disturb that tranquility for which the south has so long yearned. We see in the immediate future the existence of that joyful distribute the existence of that joyful distribute the existence of that joyful distribute the existence of the north and stage for all sorts of characters. To give where he moved. Peter went on the stage in the cities where he moved. Peter went on the stage fact that it was fresh. He got two dollars and a pair of black eyes for his shrewdness.

A philosophic old gentleman who has gone to another and a better world has courted by the best classes in the cities where he moved. Peter went on the stage for all sorts of characters. To give be disinherited. He who laughs most south, the east and west, will treat each other as brethren of the same great republic, and, as such, will settle all ques- Why are Artificial Flowers Used for tions justly and equitably. This was the spirit in which they formerly acted. This was the spirit which made our constitu-

ment and the railroad companies, which have been accustomed to control congress at will, excites infinite interest. It seems that the companies, for the pressure of a water-lily "more handsome" for snow-drops. And we may always notice, in a wreath of artificial flowers, however good, that the leaves broad, substantial sprays, or the leaves of a water-lily "more handsome' for snow-drops. And we may always notice, in a wreath of artificial seems that the companies, for the present have yielded the point, and for a time, at least, will continue to furnish poetal-cam. The pastimaster-general has spoken very distinctly on this subject. After saying that the compensation for mail service by the railroads was fixed by law, and that he could not change the rates prescribed toy congress; that all he could do now was to prepare for any emergency; that if the companies will not perform the service—and he had not sufficient power to control them in the maiter—he must wait and do the best see and in control such as a subject of the maiter—he must wait and do the best see and in control such as a subject of the matter—he must wait and do the best see and in control such as a subject of the present them as a subject of t power of the government is. If it comes

subject of the exclusion of the postal- THE TRAGEDIAN, FORREST. MEMPHIS APPEAL subject of the exclusion of the postal-cars from several of the leading railroad outes of the country, and report at the His First Appearance in New York in MONDAY MORNING, M'CH 31, 1873 next session. This investigation will open up the whole question, which is ust now of immense importance, as to in the business of transportation anywhere in the country. It is apparent that such a report will engage the earnest consideration of congress, the carnest consideration of congress, and the country consideration of congress, the carnest consideration congress, the carnest consideration congress consideration congress. he duties and obligations of all

For the victorious north the path is equally clear, but far more difficulty of mistakes and often full of mistakes. cuit. Its triumph will be its temptation, and the magnitude of its successes the source of its weakness, unless wisely and cowslips, the roses of June with the primrose of April, and she almost always adorns a flower with the wrong nuity is established forever, but it must be completed and managed. The national managed. The national nuity is established forever, but it must be completed and managed. The national managed is easy and the ways adorns a flower with the wrong dish's middle name. Forrest made his first appearance at the Park for Wood-life appearance be, but just as he had formed a good style, he died. Obi Woodhull was a first appearance at the Park for Wood as much a part of the flower as the hand or the hair is an inseparable part of a person. People have condemned Sir inv and caused Gilfert's appropriate the mational or the hair is an inseparable part of a person. People have condemned Sir inv and caused Gilfert's appropriate the mational or the hair is an inseparable part of a person. made fearfully strong by the consent of the people, must assume to itself no power that will interfere with the freedom, the initiative, the self-dependence. rest's hand five hundred dollars. From that day onward Forrest rose in fame dom, the initiative, the self-dependence, the enterprise, the spontaneous progress of the people. It is more important now than ever to restore our politics to function a wind all principles—to right, views of the spontaneous progress of the people. It is more important now to make room for a yellow wig! A lady once said to me, "I met a man to-day once said to me, "I met a man to-day once said to me, "I met a man to-day once said to me, "I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me, "I met a man to-day once said to me," I met a man to-day once said to me." and fortune. Next on the list of actors in the cast was Thomas Barry, who still lives. He was, when last heard from, stage-manager at one of the Boston damental principles—to right views of the real functions and necessary limits of the State, and of the relations of the mation to the Commonwealths; and if the party in power fails to recognize that provides the party in power fails to recognize that provides the p them, a party in opposition will be sure to take up the neglected truth.

oroke upon me: This man possessed that possessed that peculiar complexion that belongs only to red hair; but his red hair he had dyed as black as night! and the was excellent. Tom was the second man that sang the first popular negro melody that ever was sung on the stage. I mean the Coal-black Rose. THE GOVERNMENT AND THE RAIL- dicrons." This is just what the milline does when she thinks that fern-leaves George Washington Dixon was the first. Blakeley did everything in the business except tragic parts. He left the stage The conflict between the govern- "look lighter" for a rose than its own

not sufficient power to control them in the matter—he must wait and do the best he can till congress meets, and then these mutilations and vagaries of the these mutilations and vagaries of the beautiful and well modulated voice, and the beautiful and well modulated voice and the beautiful and well modulated voice are the beautiful best he can till congress meets, and then would solk for more power. When asked what additional compensation the railroads decompensation the railroads department, it is to come to terms he remarked: "The exception to the powers of the government could compel them to come to terms he remarked: "The exception to terms he may be a term to terms he remarked: "The exception to terms

Charles Knight died at his home in She afterward became a danscuse, and Charles Knight died at his home in that congress will probably decide that railroads, being post-routes, are under the courted of the government and publisher. He was noted as an author, a printer and a publisher. He was noted as an author, a printer interest in the firm of Rogan, Seiden & Co. Thanking the firm of Rogan, Seiden & Co. Thanking the printer interest in the

planes will be admonished to clear the tracks, and, not clearing them, the army will see that they be cleared." Then, after expressing the hope that there may be no such occasion for exercising the power of the federal government, he added: "But these corporations, which have received their franchises from the poople, certainly owe in return certain duties to the people, certainly owe in return certain duties to the people will see to it that their rights are enforced." His concluding words indicate what may result from this conflict, and ought to be a warning to the railroad companies will be admended to clear the passengers, but the still greater duty of transporting the mails with facility and as a solicy and interests ment of the enlightent of the masses of popular progress, but the still greater duty of transporting freight and inspecting the mails with facility and as a solicy of the same as a silver bell.
